MEDIA ADVISORY

Med Exec International Makes Inc. Top 500 List of “America’s Fastest Growing Private Companies” Entrepreneurial Superstars

Glendale-based Med Exec International, a specialty contract research organization, saw a three-year sales growth of 1,626%, earning it a spot on *Inc.* magazine's Annual List of America's Top 500 Fastest Growing Private Companies. "We saw a niche and we filled it for clients nationwide. Our services allow companies to keep their work stateside, delivering top quality results on time and on budget," says Rosemarie Christopher, President and CEO.

The company provides customized employment solutions in clinical research, regulatory affairs, quality assurance/compliance and medical affairs for pharmaceutical, medical device, biologics, diagnostics and biotech industries in California and around the world.

Is keeping typically off-shored work stateside a trend? Learn how Ms. Christopher is able to provide the services and the deliverables at prices competitive to off-shore providers.
